I, the undersigned, hereby authorize Stalwart Defense and/or its agents/employees to make modifications to the Firearm listed in this document. I am aware that some of these modifications may void the manufacturer's warranty and Stalwart Defense and/or its agents/employees will not be held liable for any issues, malfunctions, or failures experienced by the end user. Stalwart Defense will make every effort, within reason, to ensure proper performance of the firearm listed in this document, correcting any problems that are directly attributable to modifications that we made to your firearm.
